SUMMARY

Motivated Computer Engineering student with comprehensive training in Data Science and Machine Learning, actively seeking internship and entry-level opportunities. Equipped with hands-on experience in Python programming, SQL databases, and statistical analysis through Oracle Professional Data Scientist certification and multiple specialized courses. Proven ability to solve complex problems through 140 days of structured problem-solving practice. Strong foundation in data-driven decision making with practical knowledge of machine learning algorithms and data visualization. Ready to contribute technical skills and analytical mindset to drive impactful results in a professional environment while continuing to grow as a data professional.

TECHNICAL SKILLS

- Data Analysis & Science
- Machine Learning
- Data Visualization
- Problem Solving
- Positive Attitude
- Python Programming
- Leadership & Collaboration
- Critical Thinking
- SQL & Databases
- Self-Proficiency

EDUCATION

Bachelor of Engineering - Computer Engineering *Pursuing*
MET Bhujbal Knowledge City
Nashik, Maharashtra, India

LANGUAGES

English
Proficient (C1)

Hindi
Native (C1)

Marathi
Proficient (C1)

CERTIFICATIONS & PROFESSIONAL DEVELOPMENT

- ✓ Oracle - Professional Data Scientist Course
- ✓ CodeWithHarry - Data Science Course
- ✓ Google - Crash Course on Python
- ✓ GeeksforGeeks (GfG) - 140 Days of Problem Solving
- ✓ Microsoft & LinkedIn Learning - Career Essentials in Software Development
- ✓ Newton School of Technology - SQL Course

ACTIVITIES & INTERESTS

Reading books, staying current with technology trends, continuous learning
